Please note: From November 1st, 2023, the doctors will bulk bill patients with a current Centrelink pension card and babies/children aged 0 -12 years of age. This is a temporary freeze on private billing due to an increase in the Medicare bulk billing incentive amount. Centrelink health care card holders will continue to be billed at a reduced rate.

Greenslopes Family Practice does not issue accounts and payment for your consultation should be finalised after you have finished with the doctor.
